Dear Parent,

The school years are the years of excitement for both parents and the students. Every student is unique and building the learning readiness in the student is the foremost purpose of school education. The aim is to ensure that the student reaches his/her full potential by the end of the school education.

The Student Academic Progress Card:

This progress report card is a document designed to evaluate the student in all the categories of learning, i.e., Scholastic area and Co-Scholastic area. Our school follows the Karnataka State Curriculum guidelines of Continuous Comprehensive Evaluation (CCE). This report is sent to parents for their perusal and signature after every assessment. Please ensure that same is returned immediately after your comment and signature.
